24 May 2025

1. MDIC did not increase college fees since 2023 - 2024. In view of increasing inflation MDIC authority has decided a new college fees structure after elaborate studies. It's new college fees structure is given in ANNEX-A to the paper.

2. Fees Collection Procedure:

Significant changes have also been brought in tuition fees collection procedure, which are enumerated below:

- a. Fees for the 1st quarter (July – September) will be collected at the beginning of the quarter while the rest will be collected on monthly basis. Details are given in the table below:

S.L No.	Months	Schedule for payment
1.	July-September(1 st Quarter)	As per admission notice
2.	October	Within 30 th September
3.	November	Within 31 st October
4.	December	Before half yearly exam starts
5.	January	Within 30 th December
6.	February	Within 31 st January
7.	March	Within 28 th / 29 th February
8.	April	Within 31 st March
9.	May & June	Before Annual Exam starts

- b. School/College fees have to be paid as per given schedule.
- c. A late fine of Tk. 10,000/- (ten thousand) will be charged if admission process is not completed within the time limit mentioned in the notice for admission/promotion (for old students).
- d. Students must be punctual. Under no circumstances late arrivals will be accepted. If anyone is late, it will be marked as 'absent' and will be added to the days of "total absence". For each day's late/absence Tk. 100/- will be fined. If a student is late for 2 days in arrival in a month, he/she will be allowed in class but on 3rd day he/she will be sent back home. If a student remains absent for a total of 10 days consecutively without prior permission/information, the name of the student will be struck off and will need to pay a fine of Tk. 10,000/- (ten thousand) only for continuation with the class.
- e. A late fine of Tk. 100/- per week will be charged for delay payment of tuition fees in a particular month. From 2nd month the late fine will be Tk. 200 per week.
- f. After 2 (two) consecutive months of non-payment of School/College fees, student's name will be struck off from the attendance register/students' list. In that circumstances, the student will have to pay an amount of Tk. 10,000/- (ten thousand) as a late fine to be re-enlisted in the attendance register/students' list. Recurrence of tuition fees defaults will warrant T.C to concerned students without notice.
- g. It is to be mentioned here that, no application in regard to late fine waiver will be accepted by the MDIC.
- h. There will be also fines for breakage/ damage of college property and loss of books/study materials drawn from library.
- i. College fees will be system generated (automation) and payment would be online payment. There will be no option of part payment of the college fees.
- j. Waiver of students' tuition fees is not a privilege and is never guaranteed. Hence, none should pursue the application and defer tuition fees payment with false perceived hope of receiving tuition fees waiver. MDIC will follow its evolving waiver policy where merit of individual student is a prime criterion.
- k. Separate fees-collection-rules will be applicable for students of class 10, AS & A2, which are given at the bottom of Annex A please.
3. Circulated for strict compliance at all ends please. MDIC Accounts office in consultation with Administrative office will start sensitizing guardians forthwith. In so doing warning notices are to be placed in suitable locations of MDIC. Guardians may also be sent with required number of messages in this regard via WhatsApp groups by class teachers and also via MDIC message center immediately.
